

THE SERVICE YOU EXPECT, THE VALUE YOU DESERVE.

SERVICE AND SUPPORT IS OUR PASSION.

## ON-SITE TRAINING PROGRAMS

Atreo Services delivers training programs at your facility at a time of your convenience. Our training programs cover the following topics:

- + Service fundamentals
- + Mechanical components
- + Problem resolution
- + System software, functions and alarms
- + Device board mechanics
- + Parts replacement
- + Ongoing preventive maintenance
- + Spill protocol

## HELP YOUR TEAM BECOME PEAK PERFORMERS

Atreo teaching staff are experts on a variety of pneumatic tube systems, automated trash, recycling and soiled linen systems, and other select conveying systems. Our pricing is highly competitive as well.

Atreo on-site training program benefits:

- + **Customized training** to fit your facility's specific system and operations
- + **Flexibility** to train several staff members at one time
- + **Cost effective** by bringing Atreo to your location, eliminating travel expense and staff time away from your facility
- + **Realistic** training on your facility's equipment, not in a corporate training center
